Littleton's Connection Groups are small Bible study, fellowship, and service groups which meet on various nights either in member's homes or at the building for spiritual growth, fellowship, and service. The Connection Groups are organized to encourage greater fellowship, prayer, personal study of the Word, and service in God's Kingdom.

Acts 2:42-47

They committed themselves to the teaching of the apostles, the life together, the common meal, and the prayers. Everyone around was in awe—all those wonders and signs done through the apostles! And all the believers lived in a wonderful harmony, holding everything in common. They sold whatever they owned and pooled their resources so that each person's need was met.

They followed a daily discipline of worship in the Temple followed by meals at home, every meal a celebration, exuberant and joyful, as they praised God. People in general liked what they saw. Every day their number grew as God added those who were saved.
